I don't know what to think about this one. It seems more Juv to me, and it's not available on Ingram.

I don't think [REDACTED] will. I can call [REDACTED] and find out though. It's the first book of a 3-part series by Colleen Hoover and we have book two and three but not book one. The author has been super popular lately, so I wasn't sure if it was an option to order the first book or not, even though it is older.

Hey Brad!

I put this request in for the [REDACTED] last night. [REDACTED] wanted the 6<sup>th</sup> book in the graphic novel version which is on order and the 7<sup>th</sup> graphic novel we did not have in the system. We have the regular Juvenile fiction copy but [REDACTED] does not want that one.

I don't believe I actually put any funding into board games for this year. I'd recommend to check prices and see how exorbitant they are, then we could potentially use some funding from books.

Hi!

I found 2 LP copies owned by CCL so the patron has hold requests for those books: Jack and Jill; Four Blind Mice.

I also submitted ILL requests for the other large print books listed.

Thanks,  
Lyndsey
