SCL hoopla ILS form.pdf;

Hi Jackie!

I just heard back from our Sirsi project manager, and I think I should have everything you need on the ILS configuration form, so I've got it attached.

I'll be out of the office next week, but I'll still have access to email, so if anything goes awry, just let me know!

Good Morning Julie,

We now have a SIP port set up for Hoopla – see details below.

We also received the connector code from Hoopla and the collection is building in a Test Profile in Enterprise. It can take a couple days for that to build. I think by Monday it will be visible in the Test profile.

I know you are out of the office next week. If there is anyone looking at this while you are out just have them contact me.

Thank you and have a great week off.

I know everything has been finalized on our end and a coordinator should be reaching out to begin the onboarding of the library.

I don't know if you received my message but our accounts side is wondering if you could supply an updated copy of the Library's Tax Exempt form.

You had marked the Tax Exempt box on the hoopa Survey and they would like to assure our records are up to date.

Hello Patty and Julie,

Thank you again for your time this afternoon. I am looking forward to assisting in getting hoopla up and running for you and your patrons!

Attached to this email is a copy of the hoopla Digital Service Agreement. As you look over the document, please let me know if you have any questions and I will be sure to get them answered for you. On the final page, feel free to either write in a deposit amount (if you choose to deposit money to start the service) or to

write "\$0 per Cher Frankowski" in the space.

Below is a link to the launch survey that I mentioned this will help our team gather some of the initial information needed by our team.

<https://www.surveymonkey.com/r/hoopladigital>

The final item I have attached is a PDF of our typical "Onboarding Milestones" please keep in mind that this timeline can fluctuate faster or slower depending on how smoothly the process goes and the comfort level of all involved.

If there is anything I can do to assist please don't hesitate to reach out. I am always happy to help.

Have a wonderful day!

AR Attorney Gen Op Digital Sub.pdf;

Chris,

I passed that request on to our finance coordinator, but didn't check to see that he was able to find anything. Here is the attorney general's opinion about digital resources being tax exempt in Arkansas. Would that work?

Hi Patty,

I know everything has been finalized on our end and a coordinator should be reaching out to begin the onboarding of the library.

I don't know if you received my message but our account side is wondering if you could supply an updated copy of the Library's Tax Exempt form.

You had marked the Tax Exempt box on the hoopla Survey and they would like to assure our records are up to date.
