Yes, it was question 3 on the same survey. I have attached the survey results.

Thanks,

Scott

Thanks for your email, Scott. The pdf file you attached is in reference to the July meeting date which I did open and responded to. I thought last night you mentioned survey results concerning remarks made by the chairman. Did I misunderstand what you said about a survey concerning those remarks? If there was a survey, do you have records that I opened it and responded? Because I don't see that I received that email.

Thanks for you help,

Pam

Pam,

I missed you last night after the meeting, but I wanted to follow up about the survey email. You can see from the attached screenshot that the email was sent to you on June 5th at 1:45 PM. You then opened it multiple times between 6:09 and 7:56 PM. At 7:57 PM, you clicked the survey link.

Looking at other emails, it does appear that you are opening each email. I don't see any that have bounced. The last one you did not open was April 21st.

Thanks,

Scott
